**MONOGRAM
REFRIGERATOR
ICING KIT WR49X10021**

REF 16-00

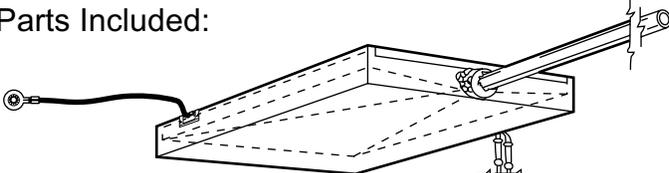

August 2000

The Monogram freezer icing kit WR49X10003 has been upgraded for all Monogram Side by Side 36", 42" and 48" models produced 1992 until present. The upgraded kit is catalogued as part **WR49X10021** and will supersede the WR49X10003 kit. The improvements made to the kit include a longer drain pan, an antifungal drain tube, a redesigned styrofoam insulator for the right freezer wall, the addition of foam insulation for the evaporator compartment and improved installation instructions.

NOTE: IT IS EXTREMELY IMPORTANT TO FOLLOW THE KIT INSTRUCTIONS CLOSELY. CARE MUST ALSO BE TAKEN NOT TO CRACK THE FRONT EDGE WHEN INSTALLING THE NEW DRAIN PAN FOAM HOUSING.

MONOGRAM FREEZER ICING KIT WR49X10021

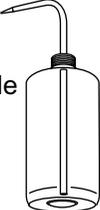

Parts Included:

Drain pan assembly with ground wire

Bar of PermaGum

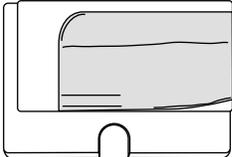

250ml squeeze bottle
